

RESIDENTIAL RECYCLING GUIDELINES

Maxatawny Township requires its residents to hire their own hauler for garbage and recycling services. However, the Township is a mandated recycling community. All residents, businesses and institutional establishments are required to have both trash and recycling services. All municipal waste haulers operating in Maxatawny Township are required to provide curbside recycling services, as a condition of operating within the Township limits. Below is a list of approved haulers. If you would like to use a hauler, or currently use a hauler, that is not listed below and they meet all the necessary requirements please have the hauler contact the Township Office at 610-683-6518 to register.

Clifford Hill Sanitation
PO Box 265
Kutztown, PA 19530
610-683-7086

Republic Services
50 Orchard Lane
Leesport, PA 19533
610-926-8291

Waste Management
2710 Golden Key Rd
Kutztown, PA 19530
1-800-869-5566

JP Mascaro & Sons (Commercial only)
600 Neversink Rd.
Reading, PA 19606
1-800-334-3403

Recyclables must be kept separate from your waste/trash when picked up by your trash hauler. Bins are available at the Township Administrative Office.

Items that are required to be recycled:

Metal—aluminum and tin cans

Glass—clear, brown, and green glass food and beverage containers

Plastics—All plastic bottles and containers #1 and #2. All materials must be thoroughly cleaned before placing in your bin.

Newspapers

Leaf waste shall also be kept separate for purpose of composting.

CANNOT BE INCLUDED:

Broken glass, light bulbs

- Windows, mirror, ceramics
- Drinking glasses
- Aluminum foil
- Scrap metal
- Tupperware
- Plastic tableware (knives, forks, spoons, etc.)
- Plastic grocery bags, plastic food wrappers
- All solvent, oil, and chemical containers
- Food-soiled materials
- Soaked and/or wet papers or cardboard
- Used paper towels or tissues
- Styrofoam, packing peanuts
- Pool chemicals
- Plastic bubble wrap
- **NEEDLES—DO NOT** place used needles

with recycling! This is a serious health hazard to everyone!

COMMERCIAL BUSINESS AND INSTITUTION RECYCLING

All residents, businesses and institutional establishments and community activities are required to have both trash and recycling services. All municipal waste haulers operating in Maxatawny Township are required to provide curbside recycling services, as a condition of operating within the Township limits. Below is a list of approved haulers. If you would like to use a hauler, or currently use a hauler, that is not listed below and they meet all the necessary requirements please have the hauler contact the Township Office at 610-683-6518 to register.

Recyclables must be kept separate from your waste/trash when picked up by your trash hauler. Bins are available at the Township Administrative Office.

Items that are required to be recycled:

Metal—aluminum cans

Glass—clear, brown, and green glass food and beverage containers

Corrugated paper, newspapers, magazines and high-grade office paper

Collecting and hauling recyclables is the responsibility of the business or institution and you will be required to submit an annual report to the Township each year.

Leaf waste shall also be kept separate for the purpose of composting.

BRUSH RECYCLING DROP SITE

As most of you know, the Township operates a brush recycling yard. The purpose of the program is to collect brush from RESIDENTIAL properties in the Township and recycle the brush into mulch. This service is for TOWNSHIP RESIDENTS ONLY. The bin is located at the rear of the property at 127 Quarry Road. We accept any form of brush up to FOUR (4) inches in diameter. We do not accept firewood or construction material.

We currently have mulch available.

FALL LEAF COLLECTION 2018

The Township will be doing leaf collection beginning the week of October 15, 2018 and continuing through November 30, 2018. Leaf collection will be done weekly, Monday through Wednesday, with Thursday being a make-up day in case of rain or other issues that would prevent us from getting out on a regularly

scheduled day. The Township will only visit each road once a week, so if you see them come through on a Monday, they will not be back on the road until the following Monday. Residents are asked to rake the leaves to the curb or gutter if they want the leaves collected. Only leaves at the curb will be collected. Please DO NOT place anything other than leaves at the curbside or gutter. ALSO – Leaf collection WILL NOT occur along Route 222 for safety reasons.

No person shall ignite, cause, feed, permit or maintain any open fire for the destruction of solid waste or recyclables, to include leaf waste on any property under his control, except as hereinafter provided or as set forth in the Township's Burning Ordinance.
